OARC Events

- Three hybrid workshops per year in 2022 proved demanding, and distracting from other activities
- Current plan is just two hybrid workshops for 2023, and then review frequency/format for 2024 onward
- We are additionally supporting a DNS-themed hackathon prior to RIPE86 in Rotterdam in May
- AGM will likely be stand-alone during October

OARC, Netnod & RIPE NCC proudly presents

Save the date 20 - 21 May 2023, Rotterdam! More info is coming soon...

Sponsors: SIDN, NLnet Labs, ISC - Want to sponsor? Talk to Jerry!
